WHEN YOU WANT STUNNING
BACKLIT IMAGES FOR OUTDOORS

**KMC
PRO**

PROMISE

Ideal for outdoor and indoor use and available in vibrant colors, these inks provide robust durability and consistency for graphics that stand the test of time. In addition user gets the ultimate advantage of the highest print coverage thus delivering the most cost effective prints. Unlike other inks, prints using KMC Pro are generally waterproof and UV safe (for outdoor use) and the ink delivers the celebrated ColorJet quality for brilliant prints. Not just that, these inks promise less downtime, thus saving time and manpower.
