

**TRUE  
TO THE  
REAL IMAGE**

# PREMIUM

## PROMISE

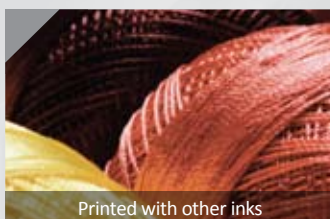

Environmental friendly, Premium Cartridge enables its use in printing high resolution and outdoor signage. Exceptional brightness along with density and opacity are some of its key advantages. The cartridge guarantees outstanding imaging for crisp edges and smooth gradations.

## APPLICATIONS

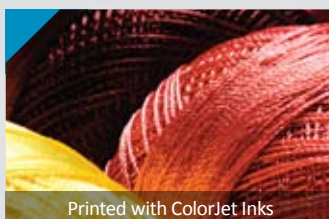

Premium Cartridge is recommended for indoors applications - window displays, vehicle wraps, dropdown banners, in-shop branding, etc.

## BENEFITS

- Better print coverage
- Reliable quality
- Quick dry
- Superlative outdoor life
- Brilliant colors
- Plug and print cartridge
- High resolution prints with best pigments used
